

Canyon Keepers (TBA) Hawver Schedule

Hawver Mine Tours are currently being evaluated and under an ongoing process working with State Parks and the Bureau of Reclamation to open this mine to the public. Until this process is complete, there will be no tours. We are truly sorry for the delays, but we want to make sure every aspect of access and safety is examined before this function goes to the public.

Keep checking back for any status updates.

Thank you for your interest,

Canyon Keepers
